d. Adult Lunch Pricing 2021-2022

M LM

v 5-0

In order to continue serving free meals to all students, we are required to use the non-pricing method to determine adult meal prices. We are recommending the adult lunch price to be \$4.60 and the breakfast price to be \$2.50 to meet the requirements. Mr. Goffinet asks what the current price for adult lunch is. f. School Handbook Approval

M LG S LM V 5-0

You have been provided both school handbooks for review. Changes in the WTE Handbook are highlighted in yellow. JSHS Updates include:

- Eliminated the section regarding the Alternative School. We no longer operate that, and felt it was safe to take out of the Handbook.
- Bell Schedule has changed. Back to 2 lunches for the 2021-22 school year.
- It's not uncommon for students to message their parents to pick them up from school if they feel bad instead of going to the Office. However, students are required to be checked out and released by the Nurse if their health warrants going home. We placed notification in the Handbook that such actions count as a Violation of the Cell Phone Policy.
- Cleared up that when students violate the Code of Conduct for extra-curricular activities, they will miss the NEXT 20% of whatever season they are in or the NEXT 20% of the upcoming season.
- Bus routes will be given to students who live outside of 5 blocks from school. This previously stated 1 mile (equivalent of 10 blocks).

The school administrators are available to answer questions you might have. Motion was to approve the handbook updates as presented.

g. Fuel Bids

M LG V 5-0

We will receive/review bids received for fuel. We have been told no one is bidding on bread, so we will be purchasing as needed from various bakeries. Milk and food are purchased via CIESC which ensures all bidding regulations. That procurement statement has been included in the packet for your review. Only one fuel bid was received from C&S for \$.05 off the posted price. Motion was to accept the bid.

h. Washington DC Trip

M JW S LM V 5-0

We are to the point we need to begin fundraising for the DC trip. We are planning on proceeding with scheduling, booking, and fundraising so that if we are able we can take the 8th grade to Washington DC at the end of the school year. Mr. Goffinet asked if this was for this April or the following, and it was stated it would be this school year. He asked if there were plans to take the classes that were unable to go. The superintendent indicated there were not. Mr. Hollinden added the administration were looking at options for shorter trips since both classes had raised some funds. Motion was to approve the trip, with the understanding we have until 02.22 to cancel.

i. Return to School Plan

M RM V 5-0

This has been posted on the school website since 06.22.21. It must be reviewed bi-annually. A one page synopsis was presented. It was decided to leave the mask mandate on buses for now and review it at the next meeting. Motion was to approve as presented.

j. Summer School

M LG V 5-0

1. Approval of Substitute/Teacher pay adjustments- Lacy, Parke, Wetzel. Motion was to approve the updated contracts for the listed teachers.

k. Surety Bond Approval

l. Substitute Teacher Pay

M JW

V 5-0

After discussion with the CTA, I am recommending we set substitute teacher pay for the 21-22 school year at \$90 for certified teachers per day, and \$75 per day for non-certified teacher substitutes. Mr. Goffinet stated that this was a good idea for working an 8 hour day. Motion was to approve the increase.

p. Policies and NEOLA Update 33, No.2 (First Read)

No Action

You were provided with a proposal from CCHA law firm. We have discussed the cumbersome process of Neola and their updates. CCHA is an Indiana firm focusing on Indiana Education Law. They offer tailored school policies, and their proposal is included.

Of special note to the PC NEWS- Policy 5111 - Determination of Legal Settlement and Eligibility for Enrollment of Students without Legal Settlement in the Corporation (Revised). This policy has been revised to include information regarding the verification of Indiana residency documentation required by the Indiana Department of Education (IDOE). This information is to be collected for each student submitted for the State Average Daily Membership (ADM) count. The collected information is to be retained in the student file for each counted student.

NEW **SPECIAL UPDATE Received after the other policies were presented.**

Bylaw 0164.5 Member Participation in Meetings Through Electronic Means of Communication (NEW)

HEA 1437, enacted by General Assembly in its Spring2021 Legislative Session, provides specific conditions related to the participation by School Board members in Board meetings by electronic communication. This new Bylaw addresses the required conditions and offers options to address those areas, as allowed by HEA 1437, where local Boards may add their own specifications. This Bylaw provides legal means by which Board members may attend Board meetings by electronic communication when the Board is not subject to an emergency governmental order.

HEA 1437 requires a Board to adopt a policy to address procedures that allow Board members to participate in Board meetings by electronic communication. Therefore, it is recommended this Bylaw should be adopted to provide direction to members and allow for the flexibility of members attending Board meetings by electronic communication.

Bylaw 0164.6 Meetings During Declared Disaster Emergencies (NEW)

HEA 1437 also creates a new code section, Ind. Code 5-14-1.5-3.7, which provides for the participation of all Board members via electronic communication when the Governor declares a disaster emergency or the executive of the local governmental unit declares a local disaster emergency. The new Bylaw addresses the requirements for Board members to participate via electronic communication when a disaster emergency/local disaster emergency is in effect.

It is recommended that the Board adopt this new bylaw to keep its policies current and permit the Board to continue meeting without delay during disaster emergencies.

Bylaw 0164.4 Meeting of the Board Defined (Revised)

This Bylaw has been revised to comply with HEA 1437, which gives Boards the authority to allow members to participate in Board meetings through electronic communication even when not subject to an emergency governmental order.

This Bylaw should be recommended to the Board for adoption in coordination with the adoption of the new Bylaw 0164.5. The Board should adopt the Bylaw to maintain congruence of the definition of Board meeting and the new provision allowed by HEA1437.

Bylaw 0167.1 Voting (Revised)

This Bylaw also has been revised to comport with HEA 1437 by setting forth the requirements for voting when a Board member participates by electronic communication.

This Bylaw should be recommended to the Board for adoption in coordination with the adoption of the new Bylaw 0164.5 and the new Bylaw 0164.6. The Board should adopt the Bylaw to maintain compliance with the laws governing voting at Board meetings and the changes in the law effected by HEA 1437.

Bylaw 0112 - Purpose (Revised)

This Bylaw has been revised to provide two options. One option is for school corporations that accept transfer students pursuant to Board Policy 5111. The other option is for those school corporations that elected not to accept transfer students per Board Policy 5111.

Policy 1220 - Employment of the Superintendent (Revised)

Policy 3120 - Employment of Professional Staff (Revised)

Policy 4120 - Employment of Support Staff (Revised)

These policies have been revised to update the language in the anti-nepotism provisions regarding family members and to add an optional non-fraternization provisions. Further, Board Policy 1220 has been revised to add an anti-nepotism provision not previously included. Additionally, Board Policy 3120 has been revised to reflect that the qualifications for teachers have changed due to the passage of the Every Student Succeeds Act (ESSA), including that the requirement of highly qualified teachers applies only to Title I teachers.

Policy 2240 - Controversial Issues (Revised)

Because we have seen an increase in the discussion of controversial issues in the classroom, it was time to update this policy, last revised in 1993. The proposed revisions are intended to limit discussion of controversial issues to topics related to the curriculum and to remind teachers of the importance of maintaining the role of exemplar when expressing personal opinions in the classroom.

Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities (Revised)

This policy has been revised to reflect the recognized definition of “Rape” as of January 2021, deleting the original reference to the definition required by the Clery Act at the time of the release of the regulations in May 2020. The revised definition is that provided by the National Incident-Based Reporting System (NIBRS). Also, there is a suggested revision in the Appeals section of the policy. While the current regulation does not specifically address the implementation of remedies during the appeals process, it seems to be inappropriate to impose disciplinary sanctions while an appeal is pending.

Policy 4425 - Nursing Mothers (New)

This new policy has been added pursuant to the provisions of Federal law that require a Corporation to permit additional unpaid break time for support staff members for the purpose of breastfeeding or to express milk.

Policy 4430 - Leaves of Absence (Technical Correction)

This policy has been modified to correct a word misplacement in the prior version.

Policy 5111 - Determination of Legal Settlement and Eligibility for Enrollment of Students without Legal Settlement in the Corporation (Revised)

This policy has been revised to include information regarding the verification of Indiana residency documentation required by the Indiana Department of Education (IDOE). This information is to be collected for each student submitted for the State Average Daily Membership (ADM) count. The collected information is to be retained in the student file for each counted student.

Policy 5410 - Promotion, Placement and Retention (Revised)

This policy has been revised to clarify that the Corporation has an obligation to ensure any decision regarding retention is made in accordance with the student's IEP or service plan, per State law, in addition to providing for an option that requires those decisions be made by the case conference committee if the Corporation prefers.

Policy 6250 - Required ADM Counts for the Purpose of State Funding and Verification of Residency for Membership (Revised)

This policy has been revised to incorporate the requirements for verification of Indiana residency listed in the August 27, 2020 memorandum issued by the IDOE, which provided guidance on this subject.

Policy 7440.01 – Video Surveillance and Electronic Monitoring (Revised)

Due to the significant increase in the use of virtual/online learning, this policy has been issued to allow a Corporation to use pre recorded lessons or observations of online or virtual learning sessions as part of an employee's evaluation, subject to discussion with the exclusive representative of the Corporation's teachers prior to adoption of this policy.

Policy 7450 - Property Inventory (Revised)

Policy 7455 - Accounting System for Capital Assets (Revised)

In December 2014, the U.S. Department of Education (ED) released the newly updated Education Department General Administrative Regulations (EDGAR). This major rewrite of the regulations was issued after nearly 40 years of very little change in the compliance measures that federally funded programs must meet. The regulations covered the application process, financial management, procurement, inventory management, time and effort accountability, cost allowability, record retention, and program oversight.

Policy 7530.02 - Staff Use of Personal Communication Devices (Revised)

The policy has been revised to comply with House Enrolled Act (HEA) 1070 (2020) and I.C. 9-21-8-59. Some options in the policy in the subsection entitled "Safe and Appropriate Use of Cell Personal Communication Devices, Including Cell Phones" have been removed and replaced with required language that complies with the above-cited HEA and Indiana Code provision.

Policy 8500 – Food Services (Revised)

This policy has been revised to add the emphasis being sought by the United States Department of Agriculture (USDA) to prohibit stigmatizing students who lack the funds to pay for their meal or have unpaid meal charges.

Policy 8510 - Wellness (Revised)

Revisions to this policy reflect updated requirements for evaluation and review of Corporation wellness policies (at least every three years) and the updated regulations issued by the U.S. Department of Agriculture (USDA). These regulations provide the basis for USDA review and monitoring of Corporation compliance with the Health and Hunger-Free Kids Act. WELLSAT:3.0 is the assessment tool widely used to audit school wellness policies.

Policy 8606 - Bus Drivers and Cellular Telephone Use (Revised)

Policy 1422.02 - Nondiscrimination Based on Genetic Information of the Employee (Replacement)

Policy 3122.02 - Nondiscrimination Based on Genetic Information of the Employee (Replacement)

Policy 4122.02 - Nondiscrimination Based on Genetic Information of the Employee (Replacement)

To maintain consistency in procedures for complaints of discrimination and the grievance process, the policies, administrative guidelines and forms related to discrimination on the basis of genetic

information of an employee have been revised to comport with the new Title IX policy, administrative guidelines and forms. Because of the number of revisions involved, these have been issued as replacement policies.

The revisions to these policies should be recommended by the Superintendent for adoption by the Board, and the Board should adopt these policies to maintain consistency in its policies.

Policy 1623 - Section 504/ADA Prohibition Against Disability Discrimination in Employment (Revised)

Policy 3123 - Section 504/ADA Prohibition Against Disability Discrimination in Employment (Revised)

Policy 4123 - Section 504/ADA Prohibition Against Disability Discrimination in Employment (Revised)

To maintain consistency in procedures for complaints of discrimination and the grievance process, the policies, administrative guidelines and forms related to discrimination on the basis of disability in employment have been revised to comport with the new Title IX policy, administrative guidelines and forms. Because of the number of revisions involved, these have been issued as replacement policies.

The revisions to these policies should be recommended by the Superintendent for adoption by the Board, and the Board should adopt these policies to maintain consistency in its policies.

Policy 1662 - Anti-Harassment (Revised)

Policy 3162 - Anti-Harassment (Revised)

Policy 4162 - Anti-Harassment (Revised)

Policy 5517 - Anti-Harassment (Revised)

To maintain consistency in procedures for complaints of discrimination and the grievance process, the policies, administrative guidelines and forms related to harassment on the basis of a protected class have been revised to comport with the new Title IX policy, administrative guidelines and forms.

You will notice that a number of provisions/options pertaining to prohibited staff-student relationships have been omitted from the anti-harassment policies listed above, including references to the sexual harassment of students and criminal sexual misconduct with minors. Because the policies referenced above exclude Title IX matters, which instead are addressed in Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, including the sexual harassment of students, those provisions are no longer applicable to the anti-harassment policies listed above. However, the omitted provisions/options will be incorporated into a new policy regarding staff-student relations that will be included in the next update to be released in the Fall of 2021.

The revised policies should be recommended by the Superintendent for adoption by the Board, and the Board should adopt these policies to maintain consistency in its policies.

Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity (Replacement)

To maintain consistency in procedures for complaints of discrimination and the grievance process, the policies, administrative guidelines and forms related to discrimination and harassment on the basis of a protected class have been revised to comport with the new Title IX policy, administrative guidelines and forms. Because of the number of revisions involved, this policy has been issued as a replacement policy.

The revisions to these policy should be recommended by the Superintendent for adoption by the Board, and the Board should adopt this policy to maintain consistency in its policies.

Policy 2260.01 – Section 504/ADA Prohibition Against Discrimination Based on Disability (Replacement)

Board Policy 2260.01 places particular emphasis on protections for students who are identified as having a disability under Section 504 and ADA, including accessibility to qualified individuals with regard to facilities, programs and activities, according to federal law. Revisions to this policy are based on recent Office for Civil Rights (OCR) investigations and reviews of compliance issues, particularly related to vocational education/Career-Technical education programs, with particular emphasis on vocational education. Other revisions have been made to address changes in the terminology used to refer to students with disabilities and to revise the Complaint and Grievance Procedure for the processing of complaints of discrimination or retaliation so this procedure is consistent with the other nondiscrimination and anti-harassment policies. Due to the significance of the revisions involved, this policy has been issued as a replacement policy. There was no discussion at this time.
