This proposal was actually made last year, but I requested we wait until the facility study was completed. Covid also impacted the timeline. CONSENT AGENDA INFORMATION:

c. Chris Haire and Adriane Foster are resigning as elementary teachers (both relocating). Ian Hamm and Jamie Thorn are resigning as program assistants.

d. Surplus Items:

Bus 11- The engine blew two years ago. It was not cost effective to replace the engine, so it has been "parted out" to support the other buses in the fleet. The TCPD would like to use the bus for safety training. They do not get the opportunity to live train on buses since they are normally so expensive.

I recommend donating the bus to the TCPD for safety training. They would be in charge of its removal and disposal.
