

## **Tell City-Troy Township School Corporation 2021-2022 Bus Route Information**

Tell City Schools will once again have designated walking areas for students in grades 7-12 within the city of Tell City. There will be no 7-12 school bus services for students that live within 5 blocks of the Jr-Sr High School. For those outside this area, there will be designated stops if they desire bus service. Read route descriptions below and see the map posted in the building for details.

Please review the route descriptions attached as some routes have changed. These descriptions are for the morning bus routes. Afternoon bus routes will cover the same areas and go to the same stops listed, but drivers will decide the exact route he/she will follow. Drivers will do their best to be consistent with the time the bus arrives at each stop from day to day. Please understand that we allow each individual driver to review the area he/she is covering and make adjustments to the exact location of the bus stops once the year gets started. We sometimes have to balance student loads from one bus to another. Factors such as student safety, student numbers and construction in a certain area will be considered and we will communicate such changes along to those families affected. Please be patient. If you are in doubt of a bus or location please call your schools office or central office.

### **Modifications for School and Extracurricular Transportation Situations**

- \*Students will be assigned to a single primary bus and to a specific seat.
- \*Parents are encouraged to have students on only one route. Regular patterns of student drop off will be considered due to divorce, after-school care, and athletic practices. If there are multiple unscheduled changes, the school may deny the changes and require student pick-up from the after school program.
- \*Students will not be allowed to go home with other students for non-after school care reasons.
- \*Additional bus stops and routes may be assigned.
- \*Social Distancing may not be feasible on a school bus. Parents and students will assume all liability of riding the school bus for any event or trip. Students and drivers should follow CDC guidelines recommending the wearing of masks on buses. Students who fail to comply may be denied transportation after consultation with the administration.
- \*Parents may be required to sign a waiver for students to ride corporation vehicles.

## **Bus #1 Ken Smith (AM) 812-449-6579/Terri Bryant (PM) 812-719-2558**

An approximate pick up time is listed for each stop. Keep in mind that stop times may vary as much as 5 minutes sooner or later than listed. The “county stops” will list roads traveled. Bus driver will adjust stops to the location of students. For “county stop” times, we encourage you to contact the Bus Driver prior to the first day of school for approximate pick up time.
