

Tell City-Troy Township School Corporation 2019-2020 Bus Route Information

We continue working with the City of Tell City with their “get healthy” initiative. In doing so, there will once again be walking areas for students in grades 7-12 within the city of Tell City. There will be no 7-12 school bus services for students that live within 5 blocks of the Jr-Sr High School. For those outside this area, there will be designated stops that the 7-12 students living in that specific area will need to get to on their own if they desire bus service. Read route descriptions below and see map posted in the building for details.

Buses 9 and 10 will be running double routes (two morning routes and two afternoon routes). “A” routes will be the first students picked up each morning and they will be the first ones delivered home in the afternoon. “B” routes will be the second ones picked up each morning and the second ones delivered home in the afternoon. Bus 14 will be running a double route in the PM only.

Previously Bus 12 was a PM bus route. Starting 2019-2020 school year, students that rode bus 12 in the afternoon will now be on bus 1, 2, or 9. Find new PM bus number below.

Listed below are the bus route descriptions that we will begin the school year with. Routes have not changed a lot but some bus numbers and drivers have. These descriptions are for the morning bus routes. Afternoon bus routes will cover the same areas and go to the same stops listed, but drivers will decide the exact route he/she will follow. Drivers will do their best to be consistent with the time the bus arrives at each stop from day to day. Please understand that we allow each individual driver to review the area he/she is covering and make adjustments to the exact location of the bus stops once the year gets started. We sometimes have to balance student loads from one bus to another. Factors such as student safety, student numbers and construction in a certain area will be considered and we will communicate such changes along to those families affected. Please be patient.

We also strongly encourage parents/guardians to keep their child’s designated afternoon transportation method as consistent as possible. If your child cannot go home his/her normal way, make sure you send a note with the student in the morning or email transportation@tellcity.k12.in.us each time a change is made.

An approximate pick up time is listed for each stop. Keep in mind that stop times may vary as much as 5 minutes sooner or later than listed. The “county stops” will list roads traveled. Bus driver will adjust stops to location of students. For “county stop” times, we encourage you to contact the Bus Driver prior to the first day of school for approximate pick up time.

Bus #1 Ken Smith (AM) 812-449-6579/Terri Bryant (PM) 812-836-2533

An approximate pick up time is listed for each stop. Keep in mind that stop times may vary as much as 5 minutes sooner or later than listed. The “county stops” will list roads traveled.
