

## Vaccine Clinic Information

As a reminder, if you have a child entering **6<sup>th</sup> grade or 12<sup>th</sup> grade**, there are vaccine requirements prior to their first day of school. Per the Department of Education, regardless of what the 2020-2021 school year may look like, vaccine requirements will be the same.

Due to the precautions being taken for COVID-19, all vaccines will be done by appointment only at the Perry County Health Department. Please call 812-547-2746, ext. 4 to schedule. Appointment slots fill quickly!

For those with private insurance (non-Medicaid), vaccines are also offered at Perry County Memorial Hospital. They offer vaccines every Monday from 12-5PM by appointment only. Please call 812-547-0128 to schedule.
